e2e TravelPackage

€ 2,50 per pax

HitchHiker
Your FlightExperts

The e2e - travel package provides a full service solution for small and medium sized tour operators based on the tourism systems from ISO Travel Solutions and HitchHiker. It contains all necessary functionality for (online) purchase of flights and other services to dynamically package and sell your tourism products online.
e2e – end to end!

Highlights

- Combination of sophisticated solutions „PACIFIC“ and „TeMyra.XML“
- „Software as a Service“ – solution: hosting, administration, maintenance, updates and backups – all inclusive
- Cheapest and shortest flight segments with GDS -, charter and low cost tariffs
- Scalable solution that can be extended modularly based on individual requirements

What´s included in the e2e – travel package?

- PACIFIC – web-based tour operator system inclusive of the following modules
    - allotments and prices for internal services (hotel, car rental, transfer, excursions and cruise)
    - booking module
    - dynamic and static packaging
    - markup calkulation
    - commission for agencies
    - business partner customer / agency / agency chains
    - reporting
    - standard IBE B2B or B2C
    - connection to HitchHiker via TeMyra.XML
- HitchHiker – TeMyra.XML for dynamic flight search
    - 1 GDS (for available GDS see chart)
    - 10 Low Cost Carrier (out of 100 + available LCC worldwide)
- SaaS hosting in data center of ISO Travel Solutions and HitchHiker including maintenance and support (1 hour / month) according to standard SLA.

Which technical requirement is necessary?

PACIFIC and TeMyra.XML are web-based and run in data center of ISO Travel Solutions and HitchHiker. You just need a web browser to work with the solution..

What are the conditions for the e2e – travel package?

- € 2,50 per booked passenger in PACIFIC with a minimum of 10.000 booked passengers per year, 5 user and a contract period of 3 years
- One time setup charge of € 5.000,00

It is certainly possible to get the solution with a less number of passengers per year – you are also able to add modules to the package. Please contact us! We would be happy to create an individual offer for you.
