BODY & SOUL / SPA XELENA

Body and Soul meet pleasure and relaxation, and recover personal harmony, when visiting Xelena Spa.

Any time of the day can be appropriate to surrender to the refined health and beauty treatments, body massage and aromatherapy that will revitalize your energy. Wellness and rest is achieved through the Dry Sauna, Scottish Shower, Finnish Bath and an indoor-outdoor heated pool that appears to blend with the lake. The relax area will lead you to a deep connection with your senses and emotions, when witnessing the imposing natural framework surrounding the Spa.

TASTES & MOMENTS / GOURMET SPACE

Unforgettable moments and singular tastes will seduce your senses in the gathering areas of the hotel.

The first dawn lights go through the broad windows of the Coral Coffee Shop, and this signals breakfast time, an opportunity to indulge you with a splendid buffet breakfast, while contemplating the peace and majesty of the lake.
At dusk you may drop by Bistró Pierrot, the ideal place to relax enjoying a glass of good wine. next to a fireplace.
The delicious gastronomy of the Mora Restaurant will please your senses with aromas, textures and typical tastes of Patagonia and a one of the best selections of Argentine wines.

EL CALAFATE / PATAGONIA ARGENTINA

El Calafate comprises the soul of the Argentine Patagonia, Perito Moreno Glacier, unique in the world.

With its own identity, Calafate has become one of the main tourism centers of the Argentine Patagonia, in the province of Santa Cruz, where you can discover the most beautiful and wild landscapes.
From there, Perito Moreno Glacier can be reached, a natural wonder that intimidates with its 60 meter height above water level and its 5 km front length, freezing atmosphere and time. This place has been declared as Natural Heritage of Humanity by Unesco.
